*** Not the final design**

IKMF Indiana

Needs:

- Updated design
 - Wants to keep a strong feel
 - Would like more organization and appeal to visitors
- New Web Page Organization
 - Home
 - Classes
 - Upcoming Events
 - Apparel
 - Contact Page

Stakeholders

- IKMF Indiana
 - Rob Mendenhall - Owner
- External Parties
 - Advisor - Perry Cox
 - Server Provider - TBD
 - Krav Maga Students

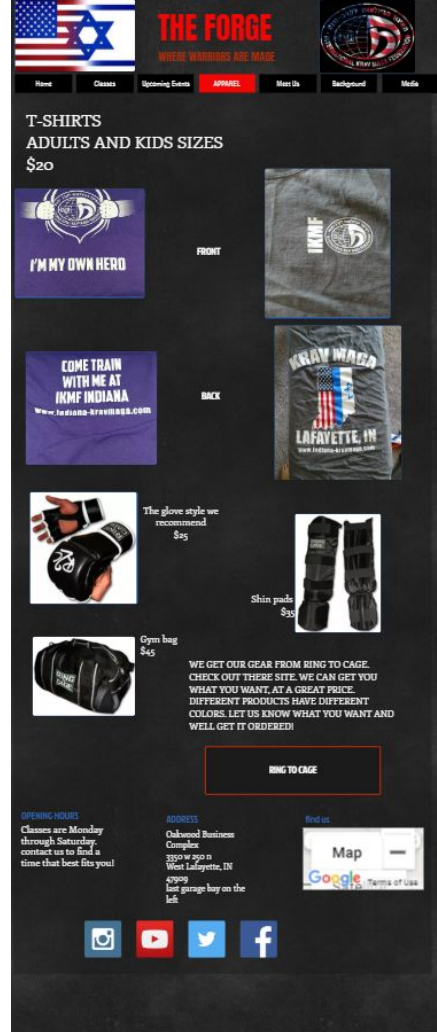

Problem

- Rob informed us that some of his clients informed him the current state of the website almost prevented them from attending the gym.

Scope

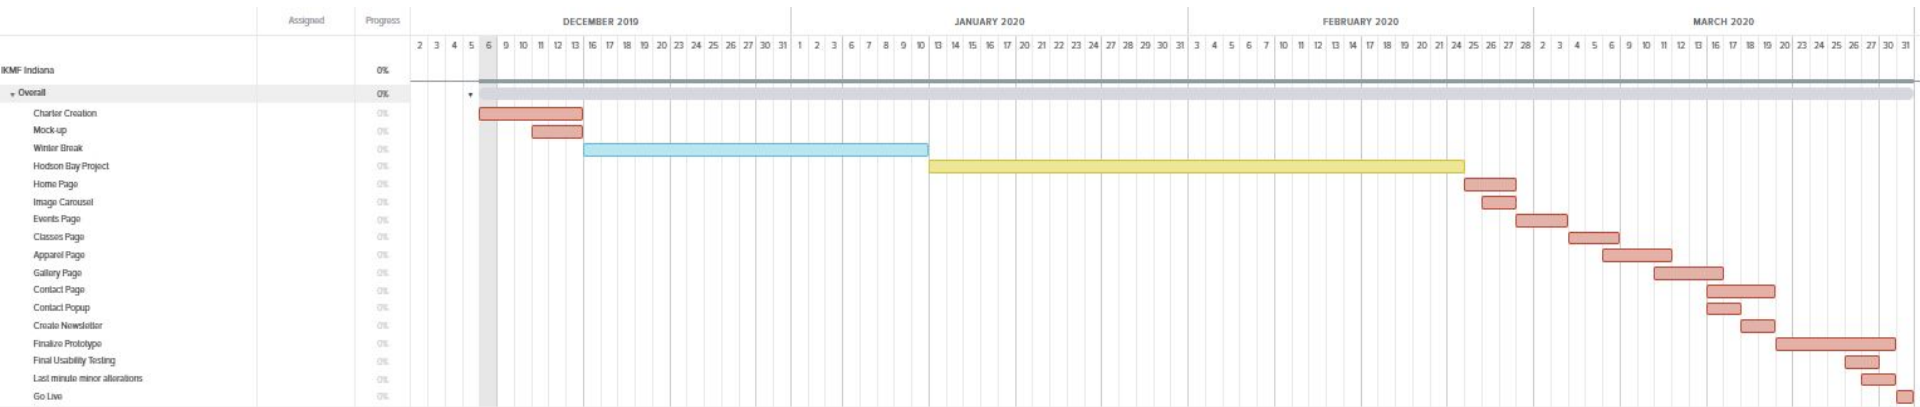

- Beginning
 - Identify areas for improvement
 - Gather ideas for new features if needed/wanted
- Current Desired New Features
 - Image carousel
 - Condensed Gallery Page
 - New Digital Logo
 - Client Newsletter
 - “Contact Us” popup
- End
 - Delivering a functional website
 - Perform stability tests
 - Gain approval from Stakeholders

Deliverables

- Home Page
 - General landing and about page for the IKMF Indiana
 - Would contain the new image carousel
- Classes Page
 - More detailed information about signing up for classes and their scheduling
- Events Page
 - An feed of information about special upcoming events
- Apparel Page
 - Apparel inventory listings and costs
 - Links out to third party store
- Gallery Page
 - A grid structured page containing a bulk of the images and media from their previous website.
- Contact Page
 - A page that would allow users to get in touch with the gym
- The final deliverable will be a functioning website with approved images/files being uploaded to the selected hosting service, and access completely turned over to the client.
